I have nothing to say that all your materials are blessed to us and others here. The dvds, mp3 usb, and the books. Thank you very much. Right now all the dvds have been distributed and they in need of it again. Hope you will continue send us more materials this year again for the work of God here. Hope to hear from you.

The work of the college continues to abound and the Lord has blessed us with an enrolment of 22 students this year. 6 of them will be graduating this coming November. We are thankful to WVBS for your continuous support in the donation of materials so that the college may be a channel to provide sound, Biblical resources to the churches in the brotherhood in this region.

Thank you for the work you all do to help get the word out there and help people understand it. We have been utilizing the text you send on your courses. Not only have they helped us gain a

## FROM WVBS

Dear brethren,  
 Thank you for being committed to the furtherance of the gospel, not just in America, but in countries throughout the world! Each month, through the Church of Christ Donation Fund, your efforts are putting sound, quality Bible study resources into the hands of people who are starving for a better knowledge and understanding of God’s word. And they truly appreciate your concern for their souls.

“We thank you for cooperating with us all these years. We hope this cooperation will continue in 2020 and beyond. WVBS has been, and will continue to be a major outlet of US brotherhood evangelism to most countries of the Third World. We thank God for those who

are supporting this work and for linking us with WVBS teachers. We appreciate their determination to continue teaching. May God bless you.” (Brethren in Cameroon)

According to the information above, online viewing is ever increasing, but there still remains many who depend heavily on the materials you have availed to them...

“As the Principal (Director) of the school, I discharged my duties accordingly, and not just that, I taught my classes as an instructor in the school. I taught classes in both the regular and part-time sections. We depend on World Video Bible School lessons in almost all of the courses that we teach in the Preaching School. Thank you for your materials.”

Keep up the good work, brethren!
